Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
<p>Rainforests come alive in the rain. . . dress for the weather and a few puddles!</p>				<p>Meet at lighthouse</p>	<p>Meet at Big Beach</p>	
<p>10 AM STORM WATCH: Thursdays 10am: at Amphitrite Lighthouse (2nd parking lot) Question: What is the "Graveyard of the Pacific"? Extreme weather has at times been disastrous for humans, but many species manage to thrive in this stormy temperate rainforest. Discover how the coastline is continually shaped by weather, how huge waves grow, and how being "CoastSmart" save lives. Active waves likely.</p>				<p>Lighthouse 10am 15 STORM WATCH Raw power of the Pacific. Survival on the edge!</p>	<p>10am at Big Beach 16 Treasures of the tide Trail Ambassador Beach Exploration</p>	<p>17 COASTAL Carnivores Investigate the lives of local Cougars & Sea Wolves Whale Lot Trailhead Lighthouse Loop 10am</p>
<p>10 AM Big Beach Treasures of the Tides: Fridays 10am Big Beach Park Question: Why are micro plastics harmful to sea creatures? Join our Trail Ambassador to explore the surprising Big Beach shoreline. A first hand discovery of plants and animals living here. Follow us to touch a real shipwreck! Rubber boots or sturdy footwear is highly recommended. Meet at the picnic area, Mattersen & Marine Drive</p>				<p>Lighthouse 10am 22 STORM WATCH Raw power of the Pacific. Survival on the edge!</p>	<p>10am at Big Beach 23 Treasures of the tide Trail Ambassador Beach Exploration</p>	<p>24 BUILD-A-WHALE 10am-12pm Amphitrite Lighthouse activity</p>
<p> 10 AM Carnivores of the Coast: Saturdays Nov. 17 & Dec 1 10am: Lighthouse Loop Whale Lot trailhead (first lot on coast guard road) Question: How can I tell a wolf print from a dog? Take a walk on the wild side! Investigate the lives of cougars and coastal sea wolves, find out what makes them so extraordinary and what you can do to help protect them! Bring your curiosity, questions and stories!</p>				<p>Lighthouse 10am 29 STORM WATCH Raw power of the Pacific. Survival on the edge!</p>	<p>10am at Big Beach 30 Treasures of the tide Trail Ambassador Beach Exploration</p>	<p>1 DEC COASTAL Carnivores Investigate the lives of local Cougars & Sea Wolves Whale Lot Trailhead Lighthouse Loop 10am</p>
<p>10 AM Build-A-Whale: Sat. November 24 10-2 pm: at Amphitrite Lighthouse Question: What whales have teeth? Learn how to identify Orcas that pass by our shores—there are three distinct ecotypes with very unique diets and behaviour. Hands on activity with whale bones. Hosted by Strawberry Isle Marine Research Society.</p>						

Funded by donations to the Wild Pacific Trail Society.

Rocks not suitable for toddlers. . . please wear sturdy shoes.
